STEP 1

IDENTIFY A CAUSE EVERYONE BELIEVES IN (EX: COVID-19)

The event focuses in locally owned CLT businesses. *“Support local CLT Businesses”*

NETWORKING EVENT

STEP 2

FIND 5 LOCAL BUSINESSES WHO YOU LIKE AND TRUST

My approach...

A bakery, local chef, popsicle bar, steak house, and a cupcake store.

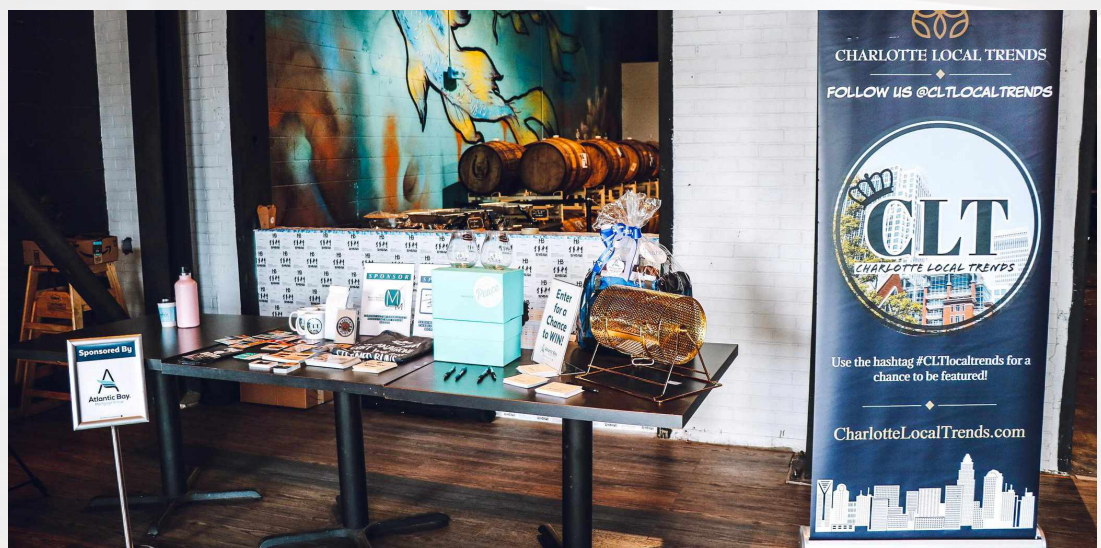

STEP 3

FIND A LOCATION TO HAVE AN EVENT OR HOST AN EVENT IN A FB GROUP

My approach...

We picked a brewery, because, well, everyone likes a brewery. Look for a private room, open common area, the most ***OPEN & INVITING***. This will create a buzz with everyone else at the brewery.

STEP 4

CREATE LANDING PAGE IN KVCORE TO CAPTURE REGISTRANTS

My approach...

Submit your name and number to be entered into the raffle. Showcase the sponsors to give them value. Make sure to create a hashtag for the event so you can follow up afterwards.

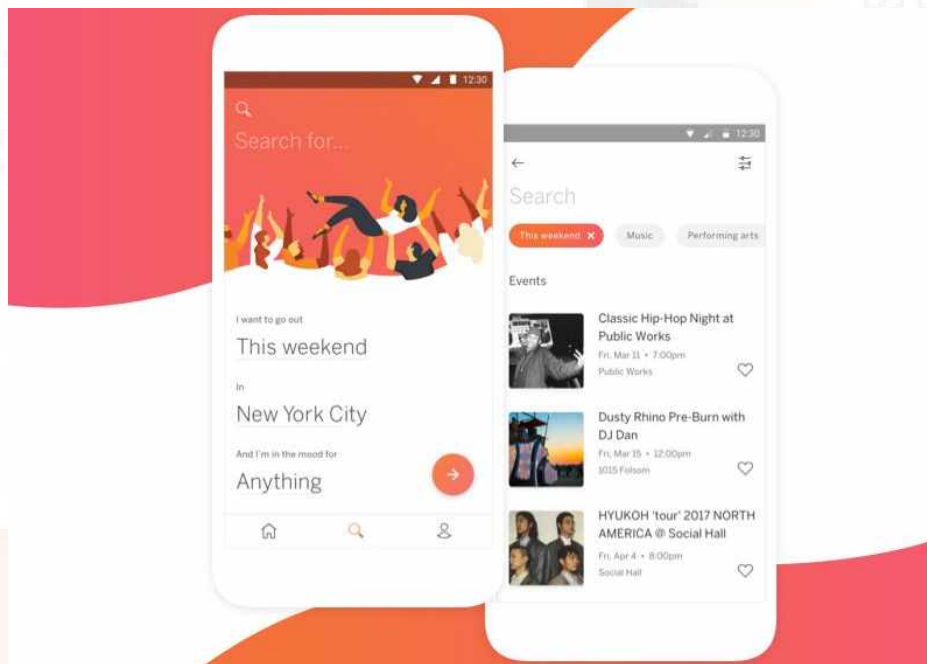

STEP 5

COLLECT MARKETING MATERIALS TO PROMOTE THE EVENT

My approach...

Create eventbrite link. Open rates are 43% on average. Have some photos that show us supporting local business.

STEP 6

SHARE WITH YOUR SPHERE & PARTNERS. THEY WILL SHARE W/ THEIR AUDIENCE.

My approach...

Provide graphics for your sponsors and partners to share. Make sure your social media handle is on the graphic and mention the cause. Write up a message to copy and send to each partner. Don't overthink it.

STEP 7

TAKE PHOTOS AT EVENT

My approach...

We asked a local photographer to take pictures for us and in return he could sponsor the event for free. Make sure to get pictures of all the sponsors and the winners of the raffle so you can send to your partners and create social proofing.

RESULTS

TOTAL INCOME:
\$27,912

Throwing an event is an effective way of connecting to your agents and expanding your network.

At the actual networking event we had 150 people, got 100 leads, 3 buyers, 1 seller, an agent recruit, and countless new **RAVING FANS** and relationships.

HOW??

HOW DID I DO ALL OF THIS WITHOUT SPENDING A DIME?

I asked 3 sponsors who booked the room, brought value, donated items, and paid for the food.

Positive publicity and boost business relations.
Sponsors are looking for these opportunities.
It's up to you to create them!
